CONSUL CAMACHO GOES TO MEXICO

May Be Reassigned to Take Charge of El Paso Office.

Enrique Camacho, Mexican vice consul and acting consul in El Paso since the departure of consul Tomas Torres for Bordeaux, France, five months ago, has been ordered to report to his government at Mexico City.

E. Llorente, consul at Genoa, Italy, has been named consul at El Paso, and is now en route here, but has not arrived, and pending his arrival Joaquin Alvarez has been appointed vice consul to take charge of the El Paso office by Mr. Camacho.

It is possible that Mr. Camacho will return to El Paso as consul and that Llorente will be sent to some other station.

It is believed Camacho is to be appointed to some important post, as he has been connected with the consular service for several years. For the past two years he has been vice consul under consuls Llorente and Torres in El Paso, and was previously consul at Rio Grande City and Roma, Tex., and at Yuma, Ariz.

He will leave for Mexico City Saturday or Sunday night.

PRESIDENT CASTRO REPORTED DEFEATED.

London, Nov. 18.—The Venezuelan consul here received cable advices today from Caracas informing him that ex-president Castro, at the head of a considerable body of revolutionaries, has met with a disastrous defeat near San Cristobal.

LOST \$2500.00

Fifty boys in El Paso lose \$2500 by buying "life scholarships" in a school of promises. It takes some of the boys a month to find out that they have bought a bad title to scholarship—others find it out in a week and then stop. The worst of it is, some of the boys have dropped their all and thereby sacrificed their opportunity for a business education.

It pays to investigate. Try our work and be convinced before you pay—know what you are getting for your money before you part with it.

You will always get a good title at the International Business College. If you are in earnest about an education, we will sell you a complete scholarship in either department of the college for fifty dollars—if you are not in earnest, you can't buy a scholarship at any price.
